Another Successful Event – 17th Annual Art & Photography Show

The Show has grown in every way. More attendance and public support. More exhibitors offering their work for display and sales. More sales totalling 40 – a record number for the 17 years of the Show. Thank you all for all the seen and unseen help that has made it a Show not to be missed.

The overall financial result of \$4,000.00 should be encouragement to continue in 2018.

Thank you to the Committee who worked tirelessly for many months with the aim to do well and present a Show with a good result. . .

Well done!

An **Anyone** passing Hesse Street Uniting Church on Friday morning may have seen one enthusiastic member of our congregation whipper-snipping the nature strip in front of the church. If you passed along again in the afternoon after the thunder storm, that same person was back pushing the lawn mower trimming the grass that has been growing so fast during the past few weeks. Well done, no names mentioned, but if you want to know, refer to the Winchelsea Star front page this week and that same person also takes pride in the town he lives in by planting and maintaining flower beds in Main Street the color has lifted the image of our town Winchelsea.

A big thankyou also to other volunteers who maintain the church grounds by weeding and spraying at the appropriate time to remove weeds etc. The efforts of these people are appreciated and do not go unnoticed.
